REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2004-2005 school year at HPMS was an exciting year with continued growth. The students performed well academically, and the HPMS community worked together to accomplish many successes:

Seven of our 8th grade students were recognized as SC Junior Scholars

Three of our 7th grade students were named Duke TIP Scholars

A seventh grader was the Honea Path Middle School Spelling Bee winner and the HPMS representative at the Anderson County Spelling Bee.

Students in grades 5-8 received five gold certificates and five silver certificates at the Regional Science Fair

Four students received the Discovery Award for top scores at the Regional Science Fair Two students tied to be the Grand Prize Winner for the Highest Score in the Junior Division at the Regional Science Fair

Honea Path Middle School received the World of Energy School Award for the highest average student scores and participation at the Regional Science Fair

Students in grades 5-8 participated in a number of service learning activities totaling over 17,754 hours of service. Two hundred thirty-four students received the Presidential Award for Service Learning: 119 received the gold award, 43 received the silver award, and 72 received the bronze award.

HPMS's 2003-2004 Teacher of the Year was Mrs. Lydia Moyer, and Mrs. Jane McElhannon was selected to serve as HPMS Teacher of the Year for 2005-2006.

The staff has been busy with the improvement of instruction as we begin our eighth year as a Standards Based Curriculum school. Maintaining and improving our PACT scores continues to be a goal that has been addressed in a variety of ways, even outside of classroom instruction. One was through the 21st Century Grant enabling us to provide summer programs in grades 5-8. A second was the NCS Learn Lab (computer lab); programs available to the students and teachers continued to help improve academic skills.

We appreciate the support of our PTO and School Improvement Council. The PTO held fundraisers to purchase student supplies and assisted in numerous school activities including Student Appreciation Day. We salute our parents, community, and business partner. We thank you for your continued support. Together we are building a stronger future and opening the door for a new century of progress.
